## ISO 14000 Business Operations Manual

# AAI ENVIRONMENTAL POLICY

AAI is committed to design and manufacture products in an environmentally responsible manner which comply with ISO 14001: 2015.

AAI will also:

Strive to prevent pollution.

Comply with all federal, state, local and other regulations.

Train Team Members in environmental strategies and procedures.

Encourage the adoption of similar principles by suppliers.

Measure our impact on the environment and set targets for ongoing continuous improvements.
